## Why we are conducting this consultation

The Sherfield English Neighbourhood Plan has now been drafted by the Steering Committee in preparation for submission to the local planning authorities. It is now available for consultation under Regulation 14 of the Neighbourhood Planning (General) Regulations of 2012.

The Regulation 14 consultation provides an opportunity for the presentation of the Sherfield English Neighbourhood Plan together with supporting documents to statutory consultees and other stakeholders (including all residents of Sherfield English Parish and any businesses or other organisations which may be affected by the Plan). The supporting documents which are referenced in the Pre-submission draft form part of evidence base used to inform the development of the Neighbourhood Plan. These documents are available on the NDP pages of the Sherfield English Parish website:

<https://www.sherfieldenglish.org.uk/parish-council>

If you do not have online access copies of the evidence documents are available, by request.

All comments received whether on the Draft Plan or the supporting documents will be considered by the Steering Committee and may be used in the production of a revised version of the Plan. A Consultation Statement which will include a summary of all comments received (redacted to remove personal information as appropriate) and how these were considered, will be made available with the final "Submission Version" of the Plan. This will be submitted to Test Valley Borough Council for examination by an independent examiner and published on the Test Valley Borough Council website.
