

# Neighbourhood Plan Regulation 14 Consultation

The Sherfield English Parish Council and a team of residents, with the support of a specialised planning consultant, have been working on developing a Neighbourhood Plan to support residents to have a legal say over our locality. This has been a huge amount of work but the end is now in sight.

The Draft Neighbourhood Plan is now ready for the 'Regulation 14' public consultation, a statutory requirement. All residents and local businesses, within the Plan area, and a very long list of specified bodies have the opportunity to comment on the draft plan. All comments will be reviewed by the steering committee and the draft plan amended accordingly, prior to its final submission to TVBC for a 'Regulation 16' public consultation 'examination' and then (hopefully) a parish referendum.

The draft plan and evidence base should now be available on the parish website NDP pages:

<https://www.sherfieldenglish.org.uk/parish-council>

Comments should preferably be made via the online 'SurveyMonkey' platform,

[https://www.surveymonkey.com/r/SE\\_NDP\\_R14](https://www.surveymonkey.com/r/SE_NDP_R14)

We do have a few paper copies of the Draft NP to lend out, a week at a time, with accompanying paper response forms which will be available, by arrangement (call 01794 340073), from

- The Post Office at Hill Farm Caravan Site
- Village Hall Porch
- Church Porch

Printed forms or other written comments may be returned to the Letterbox at the Village Hall (just to rhs of front door), NDP Response, c/o Village Hall, Salisbury Road, Sherfield English, SO51 6FL, [ndp@sherfieldenglish.org.uk](mailto:ndp@sherfieldenglish.org.uk)

**The consultation period is 6 weeks and likely to end on Sunday 10th March 2024. Comments received after this time may not be accepted.**
